Class Descriptions

Pre-Ballet, Tap, Jazz for 3 to 5 year olds meets for 45 minutes each week. This class works to develop gross motor skills and involves pantomime, slow and fast exercises, directional movement, including right and left exercises, basic tap and jazz skills (age appropriate) and an introduction to dance terminology in a fun, moderately structured atmosphere.

Primary Ballet, Tap, Jazz for 6 & 7 year olds meets for 1 hour with the period divided up for each subject either weekly or in 30-minute segments. More dance terminology is used and more traditional class curriculum is introduced.

Ballet serves as a foundation for other dance forms and helps develop grace, poise, and good posture. Every student at Brushwood's School of Dance is encouraged to take regular ballet classes.

Jazz, a true American art, emphasizes increased strength, control, and flexibility with an emphasis on placement and musicality. Other jazz forms/styles are also given in class, including Hip-Hop and Lyrical, although classical Jazz technique is emphasized.

Modern dance explores movement and energy in a creative atmosphere. Exploration of music, movement, choreography, and improvisation are emphasized. Class is taken in footless or convertible tights and bare feet.

Tap develops rhythm and coordination with inimitable style. Patterns of sound are made with the feet and include an emphasis on musicality.

Pointe (Ballet) is for students at least 12 years old who have acquired an acceptable level of strength, flexibility, and endurance. Placement in this class is at the teacher's discretion. To be on pointe, a student must take at least one other class per week.

BSD Performance Companies are by invitation only and require additional classes to be taken. Performance is strictly choreography for group performance and requires additional costs, costumes, rehearsals, and performances. Students invited into Petite Performance are chosen from primary classes. Students invited into Junior, Intermediate and Senior Performance are chosen from ballet classes. Students invited to audition for Premiere Dance Company must be 13 years of age by September 1st and a current member of Performance. More information about our Performance Companies can be found at www.bsdpformancecompany.com

* PLEASE NOTE THIS IMPORTANT INFO *

All classes Level I - V require students to take class both semesters in order to participate in recital.

(This does not apply to Pre-Ballet and Primary classes.)

A dancer may perform in a maximum of 8 recital dances

Maximum class size: 18 dancers. This applies to technique classes at the Gordonsville studio, except for performance & ballet classes which are at the teacher's discretion.

See the Friendship Gym schedule for class size limits.

Due to class size issues, an advanced dancer should not enroll in both Pre-Pointe & Pointe. Students should only enroll in the class levels determined by BSD instructors.
