

Class Placement

Registration for all classes for students ages 8 and up is determined by BSD instructors and not by age. This ensures that all students are registered for the appropriate level due to ability and maturity.

New students to BSD should check with Ashley Kisamore or Regina Delman for space availability in classes.

Pointe is for students at least 12 years old who have acquired an acceptable level of strength, flexibility, and endurance. Placement in this class is by assessment and at the teacher's discretion. To be en pointe, students must be registered and attend both semesters and both Ballet IV techniques classes.

Class placements are given out at the end of spring semester.
